

TOWN OF SAN ANSELMO  
COUNCIL ACTION MEMO

June 26, 1978

For the Council Meeting of June 27, 1978.

Subject: Resolution adopting 1978-79 Budget.

Submittal: Attached is the formal resolution adopting the 1978-79 budget, in accordance with Council action June 22.

Where we are: The total expenditure budget is \$2,332,326. This includes one-time winding down expenditures as follows:

1. Projects rebudgeted from 1977-78	\$102,071
2. Contract completions	116,131
3. Minority job continuation	<u>78,361</u>
	296,563

Thus the sustainable service level budget totals \$2,035,763. This is about \$1,000,000 or 33% below the original and already austere 1978-79 budget.

It is supported by revenues currently estimated at \$2,054,971.

State Aid: Preliminary analysis of SB 154 indicates that 1978-79 distribution from State surplus may bring to San Anselmo about \$230,000 additional, give or take a 20% error factor. Before an exact figure is known, numerous interpretations must be made and numerous steps taken, primarily by the County Assessor, County Auditor and State Controller.

When the added sum is determined, but no earlier, the Council may appropriate it. You will still be over 3/4 of a million dollars, or 25%, below the original frugal 1978-79 budget.

First, the Council must, by the terms of SB 154, restore Fire and Police to 1977-78 actual service levels. This will take about \$150,000, leaving perhaps \$80,000 for other priority purposes which may be determined locally.

S.B. 154 is for one year only. 1979-80 will be another mess, with a lower State surplus on hand.

That's about all I can tell you now.

Motion: To adopt Resolution #\_\_\_\_\_ adopting the 1978-79 Budget, with the understanding that changes may be made after the State aid figure is known.
